Kraftian-Soderrikish Economic Pact (K.S.E.P)

Signed by the Lord Protector of Kraftsborg and the King of Soderrike.

—----------

Upon the signing of this document, the Lord Protector of Kraftsborg will allow Soderrikish citizens to use Kraftian food and wood farms without tax. This applies only to the aforementioned farms and any other farms will still be subjected to tax laws.

Similarly, the King of Soderrike will allow Kraftian citizens to use Soderrikish food and wood farms without tax. This applies only to the aforementioned farms and any other farms will still be subjected to tax laws.

Kraftsborg and Soderrike have the right to tax any player caught not replacing food farms and wood farms with fresh seeds, potatoes or saplings for their next five uses of the other states farms.

Any citizen who does not pay owed tax will be fully at the mercy of the victim state's court system as well as be publicly executed.

—----------

If a citizen is unfairly taxed on a wood or food farm they reserve the right to bring the case to either local courts, or Imperial Courts for reparations.

—----------

Signed,

Lord Protector Jetsky of Kraftsborg
